Join the County of Hawai'i AmeriCorps VISTA Program!

VISTA members are part of a team that strengthens community partnerships to tackle complex challenges like affordable housing, economic development, and climate change.

This recruitment is for the first of three, one-year cohorts of VISTA members. Two positions are currently open:

Transportation Solutions Coordinator:

Build community capacity to improve and diversify mobility options, advance renewable energy and resilience, lower transportation emissions and costs, and create economic opportunity.

Energy Solutions Coordinator: Build community capacity to improve energy efficiency and resilience, diversify renewable energy resources, and lower energy costs.

These VISTA positions are located in the West Hawai'i office of the Department of Research & Development in Kailua-Kona.
