Additional Farm Dwelling

 Category Name:
Additional Farm Dwelling

Description:
Use this application to apply for any subsequent single-family dwelling located on or used in connection with a farm, or if the agricultural activity provides income to the family occupying the dwelling.

Building Demolition Permit

 Category Name:
Bldg Div - Building Permits

Description:
Permit for the complete razing or dismantling of a structure.

The Application Assistant assists the user in applying for a planning application or a building or engineering permit.

To apply, click on **Apply** on the desired application.

The **All** tab displays all permits and planning applications available on the site.

The **Trending** tab displays applications in order of volume recently being applied for.

The **Permits** tab only displays permit applications available on the site.

The **Planning Department Applications** only displays planning applications available on the site.

If the user is logged in, the **My History** tab is available, which lists applications the user has applied for.

Show Categories displays the different application category groups and their quantities.
