PLANNING DEPARTMENT
COUNTY OF HAWAII

Aloha [REDACTED]

I'm not sure what document Maile David has, but I can contact her and try to get more information. The General Plan Comprehensive Review is occurring now and we hope to come out with our public draft this summer. However, until a new plan is adopted, the 2005 General Plan remains in effect as the long range plan that the County will follow. Our website changed about a year ago and can now be found at the following address:
<http://www.hiplanningdept.com/general-plan/> Also, we have a mailing list that you can sign up for to receive updates about the comprehensive review process <https://mailchi.mp/8d470f4bad6b/gp>. Once the public draft is released there will be a number of opportunities to review it and provide comment and those will be sent out through the mailing list and posted on our website.

Please let me know if you have any further questions.

Thank you,

Bethany Morrison

Subject: General Plan Comprehensive Review

Aloha,

I am trying to find a document called the General Plan Comprehensive Review. Maile David gave me a printed copy, but I would like a link I can share with my community members. The one on your website seems much older and most of the other info on your site is from 2005. The last page of the document Ms David provided to me has the website cohplanningdept.com/general-plan/, but that website does not exist.

I would also like to know how we can be involved, as a community, in making modifications to the plan to help our local economy and preserve our culture.

Any help you can provide would be greatly appreciated.

Mahalo,
