Aloha Bethany and the General Plan Team,

Thank you so much for the topic workshop presentations in Kona. The draft text seems like an impressive effort with a lot of great direction for our island community. Great job.

I would like to discuss with you ways to improve the land use maps as I have concerns, and have heard similar concerns from others in the community, about the draft maps.

Would it be possible to arrange a meeting to discuss in the next few weeks? I may be able to arrange a trip to Hilo side if that is more convenient for you to meet, or perhaps we could schedule something next time you are in Kona.

Please let me know when you might have some availability.

Mahalo,

Aloha,

Thank you for your participation in our topic workshop last Saturday in Kona. It was a great opportunity for the County to get specific feedback on some of the strategies in the draft General Plan. For your reference we have attached the presentation from the workshop. As we look to continue to improve on our processes, please provide us your feedback.

- What did you like about the meeting?
- How could the meeting have been improved?

As a reminder, the comment period closes on October 31. For information about upcoming events, please visit our website (<http://www.hiplanningdept.com/general-plan/gp2040/>).
