RE: Remove TMT and any future development or water drilling of Mauna Kea, Mauna Loa, not limited to any of the three Mountains located on the Island of Hawaii from the Hawaii County General Plan 2040 – October 29, 2019

I am finding it very unpleasant to provide my comments and mana'o. Yet aware the policy of deadlines must be in its entirety of a voice. It is unfortunate I was not privy to provide my mana'o in 2001 as then President of the Kohala Hawaiian Civic Club. It was not my residence district.

However, it is my placement of ties on the priestly hood as all na heiau in the Kohala District has its close ties to "The Mauna" aka: Mauna Kea Mountain.

At first my attempt to provide a personal take on this was to deem as separate. Yet how can I separate the kanaka maoli, the innate of Naihe from the Founder of nonprofit Maika'i Kamakani 'O Kohala, Incorporated aka: MKOKI? We are one in the same, not different nor separated and certainly not difficult but always finding a center of peace with truth.

As a direct lineal descendant of Naihe, Kupuka'a (one of seven children of high priesthood who took care of god Ku in Hapu'u are of Kohala aka: Hale 'o Ka'ili (Kukai'li moku), not limited to Pao'o and Luhiau, my lineage arrived prior to the Kamehameha Dynasty which makes up the entire moku 'o Keawe aka: Hawaii County clouded under TMK's.

On "The Mauna" issue, I, unlike the modern-day Hawaiian, still believes in the law and guidelines of the present as it instinctively and overtly resolves to a standing of "placement". As Mary Kawena Pukui, known Historian has stated as translated in English, "Land is likened to an Ali'i and we are just its servants."

As a servant and by koko (bloodline), an Ali'i mo'i, I speak for myself personally and professionally as Founder of MKOKI to stop and remove TMT and any future development or water drilling of Mauna Kea, Mauna Loa, not limited to any of three Mountains located on the island of Hawaii.

Sincerely in Aloha,
