Subject: Comments re the Draft General Plan 2040

Dear Planning Director:

I would like to comment on the Hawaii County Draft General Plan 2040, specifically re the Resort designation at Mal

I strongly urge you to remove the resort designation from the map, shown on p. 185 (Draft General Plan Future Land for North Kohala District).

For the following reason: the public Access, Open Space and Natural Resources Commission (PONC) has listed the l between the two parks high on its annual list of priority purchases using the Open Space Fund for 12 years.

Mahalo,
