Subject: Comments re the Draft General Plan 2040

Dear Planning Director:

I would like to comment on the Draft General Plan 2040, specifically re the Resort designation at Mahukona.

I strongly urge you to remove the resort and the surrounding low density urban designation from the map, shown on p (Draft General Plan Future Land Use Map for North Kohala District).

The North Kohala Community Development Plan calls for the purchase of four coastal properties, including the land Mahukona and Kapa'a Parks for public use with the 2% Open Space Fund. Keep Kohala, Kohala. Moreover, the Publ Open Space and Natural Recource Commission (PONC) has listed the lands between the two Parks high on its annual priority purchases using the Open Space Fund fo 12 years.

Mahalo,
