Subject: Resort zoning at Mahukona

Dear Planning Department representatives,
I am writing to request that resort zoning for Mahukona be removed from the map. This is an area of great beauty, constant community and visitor use and has been a high priority for purchase for the past 12 years with the Open Space 2% funds. Our North Kohala Development plan calls for preserving this coastal land and maintaining a small town feel. A popular saying/sentiment among our community members is, "Let's keep Kohala "Kohala". The Mahukona area has a great many historical cultural sites which need to be respected and protected with integrity. Thank you for honoring the wishes of this concerned community by removing resort designation at Mahukona.

Sincerely,

[REDACTED]
North Kohala resident
