Subject: General Plan 2040 -- remove Mahukona Resort designation

I have been a resident of North Kohala since 1980. The reasons for the original resort designation on the General Plan map no longer exist. The community clearly wants the land at Mahukona to be preserved in open space. Anyone trying to make it a resort would run into massive objections from the Kohala people.

Please remove the resort and urban designations from the General Plan map.
