Hello,

129584

I called & was forced to leave a message in lieu of getting a hold of a person on Oct 31st, 2019, which I learned was the last day to comment on the future of Mahukona.

Someone returned my call a couple days later & told me to email or mail my comments. The former not possible, so? Please consider this as what I said Oct 31st. Thank you)

The current official status of the area surrounding Mahukona as "Resort" is no longer correct, acceptable, or appropriate, if it ever was, as the citizens of the area have risen up & told you on more than one occasion over the years.

Keeping the area rural ~~with~~ no development is what is wanted & needed. There is plenty of development going on south of the area as well as north in the way of property subdivisions for the wealthy, homes going in.

Our N. Kohala Community Action Plan gives ample guidance & should be respected & followed, lest you get yourselves more "protectors" to tell you otherwise. Mahalo.
Sincerely, [REDACTED]
