PLANNING DEPARTMENT
COUNTY OF HAWAII

Both my wife [REDACTED] and I support the re-zoning plan of the Discovery Harbour development areas (the gateway lots) from LDU to MDU in the Hawaii Island General Plan.

The future of the Discovery Harbor community will be positively affected by the re-zoning: The county will benefit from increased tourism, job creation and retail sales revenues. The golf course will be re-habilitated and re-invigorated from the increased usage and revenue generated.
