25 Aupuni Street, Hilo, Hawai'i 96720

DATE: April 1, 2021

TO: Maile David, Council Chair; and
Members of the Hawai'i County Council

FROM: Susan L.K. Lee Loy, Chair, Human Services and Social Services Committee

SUBJECT: Recommendations for Nonprofit Grant Organizations for FY 2021-2022

2021 APR - 5 PM 1:29
COUNTY CLERK
COUNTY OF HAWAII

Enclosed for your review and consideration are the recommendations of the Human Services and Social Services Committee (HSSSC), for the FY 2021-2022 appropriations for grants to nonprofit organizations. These recommendations were made after the review of all eligible applications provided by the Department of Finance.

In accordance with Chapter 2, Article 25, section 2-139(a)(1)(A) of the Hawai'i County Code, \$2,500,000 is appropriated to the County of Hawai'i Nonprofit Grant Program. On January 29, 2021, the application submittal deadline, two hundred forty-three (243) applications were received by the Department of Finance. Sixty five (65) applications were determined ineligible due to incomplete packet information or failure to meet the filing deadline. A total of one hundred seventy-eight (178) applications were determined eligible with requests totaling \$6,596,847.02.

For comparison, in 2020, there were two hundred twenty-nine (229) eligible applications with requests totaling \$7,543,891 for which the Council appropriated \$1,500,000.

On February 12, 2021, in compliance with Chapter 2, Article 25 of the Hawai'i County Code, one hundred seventy-eight (178) eligible applications for fiscal year 2021-2022 were transmitted by the Department of Finance to the council members for review and appropriation of funds.

On February 16, 2021, at a meeting of the HSSSC, an ad hoc committee was formed for the purposes of application review, applicant interviews and award recommendations. Members of the Ad Hoc Committee were Sue Lee Loy, Chair, and Councilmembers Ashley Kierkiewicz, Heather Kimball and Tim Richards. The first meeting of the Ad Hoc Committee was held on February 16, 2021.

On February 23, 2021, in compliance with Chapter 2, Article 25 of the Hawai'i County Code, a revised list of the organizations and applicable information was submitted as five (5) additional applications were deemed eligible.

Hawai'i County Is an Equal Opportunity Provider And Employer

Comm. No. 99.4
Ref. To: HSSSC
Ref. Date: APR - 5 2021

On March 8th, 9th, 10th and 11th, 2021, and in compliance with Hawai'i Revised Statutes, Section 92-2.5 and Hawai'i County Code, Chapter 2-25, the ad hoc committee conducted one hundred eighty (180) interviews. All interviews took place at Council Chambers in Hilo and applicants were connected via Zoom. In consideration of time and costs, the ad hoc committee made a decision not to hold site visits this year.

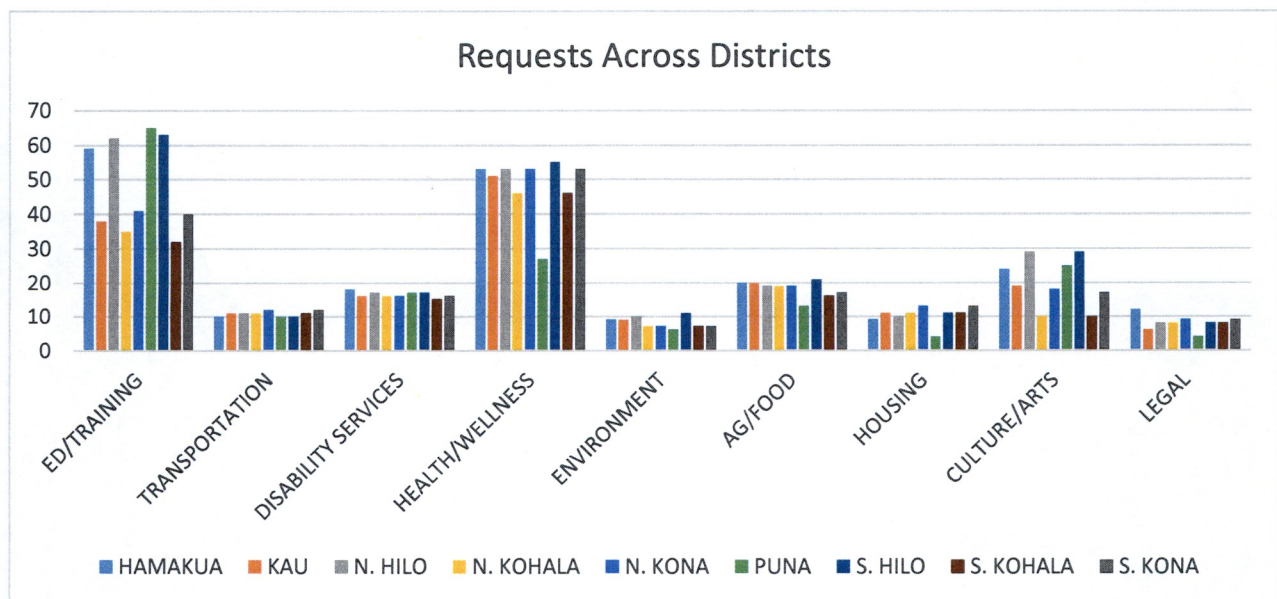

On March 17, 2021, in compliance with Chapter 2, Article 25 of the Hawai'i County Code, a revised list of the organizations and applicable information was submitted as two (2) additional applications were deemed eligible.

On March 23, 2021, in compliance with Hawai'i Revised Statutes, Section 92-2.5 and Hawai'i County Code, Chapter 2-25, the ad hoc committee conducted two (2) additional interviews via Zoom.

Although amounts requested by organizations far exceeded recommended award amounts, all applicants expressed their understanding and conveyed their determination to continue providing services to supplement the needs of our island communities and increasing population.

Exhibit A is a spreadsheet that shows the ad hoc committee's recommendations for fiscal year 2021-2022.

Based on application responses, the total number of programs representative of specific districts served and types of services were as follows:*

*Many organizations listed multiple districts to be served and multiple types of services. Therefore, totals represent overlapping of districts served and service types.

I would like to thank our Councilmembers Heather Kimball, Ashley Kierciewicz, and Tim Richards, for their service on this ad hoc committee, as well as our staff and Council Services for their contribution in helping us make this Ad Hoc Committee process an efficient undertaking. I also extend my gratitude towards Finance Director, Deanna Sako, Lisa Tada, and their staff for their assistance in processing the applications.

It has been my privilege and honor to serve as Chair of the Ad Hoc Committee.
