2019 AUG 26 PM 2:58
COUNTY CLERK
COUNTY OF HAWAII

As part of an effort to provide a broader public education about the County's adoption of the International Energy Conservation Code, I would like to show a video about current building code requirements. Featuring the comedy duo Da Braddahs, this video is a little less than 14 minutes in length and may be viewed online at:

<https://vimeo.com/257651635>

I expect this item, including any discussion related to the County's adoption of the energy code, to take approximately 30 minutes.

Please place this item on an appropriate Committee agenda as soon as possible.
