

COUNTY OF HAWAI'I

Certificate of Appreciation

awarded to

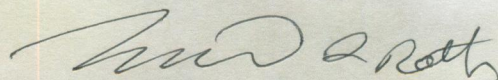

Kikuko Kibe

On behalf of the people of Waimea and the County of Hawai'i in grateful recognition of your contributions and service to the
Waimea Cherry Blossom Heritage Festival.

For the past 20 years, your dedication to perpetuating and preserving the culture and arts through the art of "Origami" or Paper Folding, by generously sharing demonstrations of crafting cranes, tulips, boats, animals, and balloons, using colored paper, has delighted festival participants year after year.

Your one-to-one interactive engagement, especially with the children, has played a vital role in the success of the
Waimea Cherry Blossom Heritage Festival.

Awarded this 8th day of March 2022.
