Department, County of Hawaii

To Whom It May Concern,

My name is Justin Barrios, I am the owner/operator of Backyard Monkey LLC. I am interested in providing services for section **PL.12) Plant Pathology/Plant Physiology/Forestry (Arborist)**. I am a good candidate for this section of services because I am an ISA Certified Arborist, Tree Risk Assessment Qualification (TRAQ) qualified, EHAP qualified, and have over 15 years of experience in the field. I am in the process of getting the qualifications needed to become a Board-Certified Master Arborist. Tree science, health, and sustainability are things that I work with daily, and I am committed to keeping the native species on our island healthy and thriving.

Thank you for your consideration.

Alden Justin Barrios
