May 24, 2024

**Utility Probing begins on Lanikaula Street**

The Department of Public Works Engineering Division will be conducting utility probing on Lanikaula Street, from Kilauea Avenue to Manono Street. This important work is scheduled to begin on Wednesday, May 29. Utility probing assists contractors in locating utility lines and determining their depth from the road surface.

The utility probing will take place from 8:30 AM to 3:00 PM. During this time, one-lane closures will be in effect on Lanikaula Street. Commuters are encouraged to use detour routes via Kekuanaoa Street and East Kawili Street to avoid delays. The Hawaii Police Department (HPD) will be on-site to direct traffic and ensure a smooth flow.

We appreciate your cooperation and patience as we work to improve our community's infrastructure.
