To the Planning Commission

I am writing this letter in opposition to the General Plan, Hawaii County for 2045.

The very first notable fact is that the plan is very vague. We as the public find that to be very suspicious.

Another part of the plan apparently gives the county government to seize the right

emergency. There is, however

"weather warfare" with the powerful and the government attacking the people that they are supposed to protect.

Every politician has sworn an oath to the constitution of the United States.

To go against the constitution is

Treason.

private property of (2) landowners and homeowners, under the guise of environmental protections. ... and it goes on and on ... to ~~the~~ take more and more away from the people.

We are aware of the U.N. sustainable development plans for 2030 that the county is following the blueprint of. There is no "Climate Change"

Anyone implementing this Hawaii County plan for 2045 is committing Treason.

Throw this plan out. It is

evil. It is unconstitutional

Thank you.
