Subject: Request to Reschedule January Meeting!
Date: Thursday, December 19, 2024 1:31:47 PM

Aloha!

Keeping our State Moto active and alive requires due diligence on your and my part of “ ***Ua Mau ke Ea o ka ‘Āina i ka Pono***” ... **“the life of the land is perpetuated in righteousness.”**... because we are righteous and do righteous deeds!

I am unsure of the reason for canceling the January Meeting but without “conversational input from the people and their descendants” who will bear the burden of this decision, this will not be “pono” righteous!

Therefore it is imperative that you reschedule the January meeting and not just cancel it without the people’s input!

Mahalo
