Subject: To Big Island planning commission:
Date: Thursday, January 16, 2025 11:11:23 PM

Please be advised that I, as a Big Island resident, am against all phases of the General plan for Hawaii Island for 2045. Please advise our county council to reject this plan in its entirety. Please be advised that I have a copy of the initial draft plan, and have read it. Thank you for your attention to this matter. Rocklyn Spencer-Dicey.
