Subject: in January we testifies were mislead by one west side commissioner
Date: Monday, March 10, 2025 9:35:42 PM

If U people change the time and location, and/or don't let taxpayers/voters/testifiers know {NOT LAST MINUTE CHANGE}. U will have broken the county laws, like the federal SUNSHINE LAW, broken by senate president Ronald Kouchi

Telling his demon- crats how to vote , behind closed doors!!!!!!!!!!!!!!!!!!!!

Commissioners job is to listen, kukakuka, make logical recommendations to county council.
NOT COERSE
