Subject: Against The General Plan
Date: Thursday, February 6, 2025 5:29:46 PM

Aloha,

To whom it may concern, I am writing because I am not in favor of the General plan to go through. There are way too many restrictions regarding land and land building on personal property for county or park buildings and home ownership grey areas that this is not constitutional and does not sit well with the people here in Hawaii!

Please put in my testimony as not for this plan.

Mahalo,
Tina Montejano
