Training and Education

1. 6/24 Co.14 Standpipe wet drill and elevator emergency operation at Hapuna Prince Hotel
2. 6/2 Kailua C shift conducted their 2nd qtr Dive Rescue training

Special Services/Events:

Nothing to report

SPECIAL OPERATIONS

Hazmat

1. HAZMAT ID units update: Kaumana In-Service training continues to be postponed due to COVID-19
2. Gas Monitors update: All documents sent to CD for submittal of requisition for RFP.
3. AC Okinaka working on scheduling Haz-Mat Technician Basic Training Course. Looking at converting to an 80hrs course instead of 160hrs.
4. Haz-Mat companies scheduled to drill with 93rd CST in July

Ocean Safety

1. Working on reallocations of 5 WSO I to WSO II, met minimum hours and MQ's.
2. Acquired a new storage container for Hapuna Ocean Safety to store UTV, ATV, and equipment closer to the beach. Working on finalizing site ground prep and schedule delivery.
3. Request for iPad's for aOcean Safety through the CARES Act funding has been approved. Working with Fiscal to make purchases.
4. Received disappointing news that Hapuna Ocean Safety funding was cut due to unavailability of funds at the State level. Mayor Kim has confirmed continuation of services at least through the rest of 2020 utilizing CARES Act funding.
6. AC Okinaka has been working with Sayre foundation to acquire iPads and Lifeguarding software to capture incident data from the beaches. This software if

acquired, would allow for a seamless integration with medic EPCR software to transfer data over.

Rescue

1. AC Okinaka continues to work with the Rescue stations to accurately track maintenance and inventory records. Also addressing the miscellaneous needs of each station with regards to equipment and apparatus repair and maintenance.
2. RB-7 had impeller damage and is in the process of being repaired. We are carefully monitoring this issue due to it recently being repaired and it occurred again.

Saver Foundation

1. Recently received new carabiners for Waiākea Fire Station personnel
2. 2020 requests submitted to Laura Sayre. The list was larger than normal, but prioritized for ease of decision making and purchasing.
3. Recently was offered a special deal for a Thermal Imaging Camera, AC Okinaka informed Laura and she agreed to make the purchase.
