Subject: Testimony for agenda item 5.1 Bill 83
Date: Tuesday, October 21, 2025 9:26:22 AM

Hello, my names Sierra Moe and I am a high school student at Hawaii Academy of Arts and Science, (HAAS), and I am sending you this message in support of passing bill 83. I believe this would be a great advancement for our community. Seeing changes like this be implemented around us is encouraging to protect our ‘āina, and especially encouraging to the youth and schools.

Thank you,

Sierra Moe
