

## “No-Rise” Certification Form

This is to certify that I am a duly qualified professional civil engineer licensed to practice in the State of Hawaii.

It is further to certify that the attached technical data supports the fact that proposed \_\_\_\_\_ (name of the development) will not impact the 100-year flood elevations, floodway elevations, or floodway widths on \_\_\_\_\_ (name of stream) at published sections in the Flood Insurance Study for Hawaii County, dated September 29, 2017, and will not impact the 100-year flood elevations, floodway elevations, or floodway widths at unpublished cross-sections in the vicinity of the proposed development.

Attached are the following documents that support my finding:

Date: \_\_\_\_\_

Signature: \_\_\_\_\_

Title: \_\_\_\_\_
