

LAND FUND

February 11, 2010

Aloha Commissioners,

I'm writing to ask that you reinstate the 2% amount for land purchases submitted by the Save Our Lands Citizen's committee. The fund is now at 1/2% which is not enough to work with. Our open spaces are critical to the welfare of this island and its people. I also ask that you put this on the ballot and let the voters decide. This is a decision that needs to be made by the people of this island.

Mahalo,
