2% LAND FUND

Since we pay most of the taxes agriculture to support the county , we vote for the acquisition of beach front accessible to water. Kawa bay is in kau. Kau also grabbed the buffer Zone for volcanoe One commissioner is a developer.

He is also the individual who ripped out all our surveying pins on 10 lots.

And refused to pay for the resurveying South point is the land acquisition we want First preference is all ocean rights to kapoho, including Champagne ponds by law all ponds blocking the original bay should be removed. Monk seal bay should be restored. Vacation rentals should pay for their own infrastructure.
