2% LAND FUND

Dear Commissioners,

Please vote to re-instate the 2% Land Fund. This was passed by a majority of Hawaii voters.

The future of this ecologically unique and pristine state rests in the hands of people like you, who are entrusted to act according to the will of the people and according to your conscience, as representatives of the people of Hawaii.

It is absolutely critical to the future of this island to re-instate the 2% Land Fund that future generations may know, enjoy and cherish the same, beautiful and abundant natural charms of the Big Island of Hawaii.

Thank-you, Mark Van Doren
