REINSTATE THE 2% LAND FUND

PLEASE reinstate the 2% land-fund we the voters (63% majority) voted for. This will help to "reinstate" our trust in the government we elected to represent us. This loss-of-trust is going on in national politics as well--- a break-down in trust between government and the people, e.g. the tea-party movement.

REINSTATE THE 2% LAND-FUND OR PUT IT BACK ON THE BALLOT FOR VOTERS TO DECIDE.

Thanks you for listening, respecting the majority of people and the democratic process, and helping to restore our faith in our leaders.

Mahalo,
