RE: AD HOC COMMITTEE ON EDUCATION

May 11, 2010

With the approval of 19 proposed amendments to the Charter, the work of the Charter Commission must now focus on educating the public about the proposed amendments prior to the November 2010 election. To facilitate the educational process, I would like to propose that we form an ad hoc committee to provide suggestions as to how we might best get the message out to the public on the proposed amendments.
