- Community: desirable density of population, urban design, infrastructure (water, waste, transportation, public buildings), affordable/ public housing, safety/ criminal justice, utilities and telecommunications, energy, health, education, social services, culture
- Economic: population growth, agriculture, tourism, information industry, federal expenditures.

In addition, the General Plan shall address the unique problems and needs of the County and such matters as may be beneficial to the social, economic, and governmental conditions and trends and shall be designed to assure the coordinated development of the County and to promote the general welfare and prosperity of its people.

Pursuant to HRS section 226-58 and section 3-15 of the County Charter, the General Plan includes objectives, policies, and implementation actions, including land use maps, programs, projects, regulatory measures, standards/ principles, and interagency coordination.

Pursuant to Hawai'i Revised Statutes section 226-58, the General Plan shall be formulated on the basis of sound rationale, data, analyses, and input from State and County agencies and the general public.

The sequence of events for comprehensive review of the General Plan will generally be as follows:

- Phase 1, Initial Input: February 6 – June 6, 2015
- Phase 2, Planning Director Review of Input and Preparation of Recommended Amendments: approximately June 2015 – April 2017
- Phase 3, Public Workshops and Public Review of Recommended Amendments, approximately May – July 2017
- Phase 4, Planning Commission Public Hearings and Recommendations to Council, approximately August 2017 – January 2018
- Phase 5, County Council Hearings, Readings, and Adoption: starting approximately February 2018.
