Message: I have issues regarding Protecting Scenic Resources - Action 4.97.

- 1) I have concerns about the native ecosystems of the area.
- 2) Erosion and landslide impact to the valley below.
- 3) The efforts of those who currently steward the area would be put at risk.
- 4) There should be no more tourist expansion into that area.
- 5) The unresolved safety issues of the Waipio Valley access road still need to be addressed.
- 6) Eucalyptus tree hazards.
- 7) Who will be managing and monitoring the area?

Mahalo for your time and consideration.
