Phone: [REDACTED]

District: Puna

Message: I do not support the idea of a scenic park at the rim of Waipi'o Valley. Visitors are not respectful around the valley and that has been demonstrated time and time again making it unsafe for residents. Having heavy traffic at the rim above the valley poses to those below from the overuse of the area. Please consider supporting the preservation of our natural landscapes and not the prostitution of them. Enough is enough.
