Message: As a resident of Kukuihaele I strongly oppose the proposed "scenic route" from Waipi'o Valley to Mud Lane along with a "scenic park". There are already way too many people coming in and out of Kukuihaele and Waipi'o Valley. The roads are dangerous. People are traveling on private property with no concern for the people of the Valley or residents of Kukuihaele. The last thing we need is to accommodate more tourists and visitors to this area. The problems with the Waipi'o Valley road have increased in the past years and there is no fix. This will make it 100 times worse.
