Subject: No resort at Mahukona

Aloha [REDACTED]

My name is [REDACTED] I live in Hawi. I am writing as a citizen in opposition to the use or sale of Mahukona as a place for resort development. It is not submitted by either the local CDP's or the general plan. Only local maps depict the area as practical for such development but those maps are out of date and out of authority. Please, [REDACTED] you know where North Kohala stands on this issue.

Respectfully,

[REDACTED]
