Subject: Comment on County Plan

Thank you for accepting and including my comment in your County Plan Draft Review and amendments.

I just want to point out that Kamehameha Schools, owner of the HH / HO fuel-source trees, has indicated that the first 3,000 acres of trees harvested will ***not be regrown*** in deference to 'other uses'. This makes carbon neutrality and 'green energy' a moot talking point.

Sincerely,

[REDACTED]
Papaaloa, HI
