SUBJECT: Hawaii General Plan, TMK(3) 9-4-001:020 Changes

It has just come to my attention that previous requests to change the zoning of the gateway lots for Discovery Harbour are for some reason being ignored and new requests must be made. Therefore, as a homeowner in Discovery Harbour I am requesting that the County Planning Department change the recommended land use zoning from LDU to MDU (Medium Density Urban) in the Hawaii General Plan for the gateway lots that are part of Discovery Harbour. These changes would be in the **Hawaii General Plan, TMK(3) 9-4-001:020**.

By changing the zoning to MDU, the development of these lots could proceed for the best economic interests of the entire subdivision. All the owners within the subdivision will benefit from this change.

Sincerely,

[REDACTED]
