Aloha,

General plan TMK 3-9-40-20 located in Discovery Harbour...

We highly request to have this land changed from LDU to MDU for the upgrade to this beautiful area for a resort, golf course and restaurant, etc. This was a plan from the get go.

We as residence maintain this area with our own personal funds so we can enjoy golf and activities with our community. For unknown reasons there are only a few here who oppose this, but the MAJORITY (250 residence) of us want this to move forward to MDU. These few people have spoken for us without our input to you and WE ARE VERY ANGRY these few did this.

Please see how the county would bring in more dollars for it to use in many ways, it will benefit this Island in many, many ways.

So we are asking you to please hear the very many of us who want this area changed to MDU.

Mahalo for your time.
