Subject: Zoning change to MDU for TMK 3-9-4-001;20

We would like to add our voice along with the other voices in support of the zoning change for the 12 acres at the entrance of Discovery Harbour to be MDU so that the plans being put forward can proceed. WE NEED JOBS or KAU will die, no jobs for young people , no families by allowing this change a small step can go a long way to creating a path forward not backward . Thank you for your consideration of this issue
