Subject: Hawaii General Plan, TMK (3) 9-4-001:020 located in Discovery Harbour

WE NEED LAND USE ZONING TO BE CHANGED TO "MDU" - (Medium Density Urban)

My husband, [REDACTED] and I moved here to "Discovery Harbour" in early 2000. The golf course was still up and running. We paid \$61.00 per month to golf. When the golf course was sold that same year, it was purchased by a firm out of Honolulu - It was handled by [REDACTED]. It was stipulated that the golf course would not reopen. My husband kept in touch with [REDACTED]. He managed to get him to let people golf, providing they made a donation (designated amount not given). The donations were to go to local "Youth Groups". Golfers came to the golf course clubhouse, gave [REDACTED] the donations then went out to golf. **I have all of the records!** [REDACTED] also voluntarily maintained the grounds as best as he could and did any work that needed to be done. [REDACTED] passed away in January of 2010. Some of the golfers stepped up and to this day are basically still maintaining the golf course all on a volunteer basis as best as they can. In two months it will be January 2020. 20-years this has been going on. It is time for a change!

In 2008 the golf course was sold to the current owner - South Point Investment Group - You have their Plans for development. We need to have development move forward to keep our Community from dying.
