Subject: Medium Density Housing for TMK (3) 9-4-001:020

County Planning Department :

My husband [REDACTED] and I own eight lots in Discovery Harbor. We are in favor of changing the land use zoning for TMK (3) 9-4-001:020 from LDU to MDU (Medium Density Urban) in the Hawaii General Plan. The change to MDU would allow for the proposed high-end 40 room lodge and restaurant which would also support the renovation of our golf course. We believe this will be an asset to our community in form of jobs, renewed interest in the golf course and our property values.

Thank you for your consideration in this matter.
