Dear Mr. Terry:

SUBJECT: Environmental Assessment for Royal Ali'i Planned Unit Development,
Kaumalumalu, North Kona, Island of Hawaii
TMK: 7-7-04:57 & 58

Staff has reviewed the above referenced document and submits the following comments:

- Any additional development/project utilizing Ali'i Drive as its exclusive access will adversely impact traffic conditions throughout Ali'i Drive, particularly during peak traffic hours or during an emergency condition.
- Recommends against any further development/project in this area until such time as the proposed Kahului-Keauhou Parkway has been completed and is open to traffic.
- Recommend plan to include improvements at access intersections to the subdivision consisting of turning and acceleration lanes.

Should you have any questions, please contact Acting Captain Chad Basque, Commander of Kona Patrol, at 326-4646 extension 249.

Mahalo,

LAWRENCE K. MAHUNA
