APPROVED BY: _____

1. Whenever there is a change in vehicle, a new application form must be completed.
2. When attending to official county business, permit will be valid only in the designated parking areas and only in the metered stalls when the designated areas are full.
3. The permit shall be displayed and be clearly visible on the dashboard of the vehicle or on the inside of the rear view mirror so that the face of the card can be seen from the outside of the vehicle.
4. Vehicle operation will be subject to parking fines or have permit revoked if not in compliance with rules governing use of parking permit.
5. Upon completion of commission term, BLACK permit shall be returned to respect department/affiliation to be re-issued to new commissioner.
6. Upon completion of daily use, COLORED PERMIT pass shall be returned to Division Secretary.
7. Department is responsible for submitting new application form for new commissioner and for monitoring these permits.
