Dear Mr. Dahlberg:

CONSTRUCTION PLAN APPROVAL-WATER METER PLAN
SUBDIVIDER: WAIKOLOA BAPTIST CHURCH

Proposed Subdivision of Lot 1 of Waikoloa Village School Site Subdivision (File Plan 2038),
Into Lots 1-A & 1-B,
Waikoloa, South Kohala, Island of Hawai'i, Hawai'i
TMK: 6-8-002:031 (SUB-13-001251)

We have reviewed the subject construction plan and found that it has met with our approval. Accordingly, we have certified the construction plan title sheet and have enclosed it with this letter.

Please submit appropriate sets of prints of the aforesaid tracing together with specifications to the listed officers for reference and files.

Further action on the subject subdivision request shall be taken when the subdivider meets with the remaining conditions of tentative approval and completes all improvements in accordance with the approved construction plans. In lieu of actually completing the improvements to secure final subdivision approval, the subdivider may file with our department a 100% surety bond and agreement to ensure completion of all subdivision improvements.

If you have any questions, please feel free to contact Ed Cheplic of this department.

Sincerely,

DUANE KANUHA
Planning Director
