Subject: General Plan 2045
Date: Thursday, March 6, 2025 12:25:40 PM

Aloha,

PLEASE do the right thing and vote NO to this horrific plan! It is obviously not by our people or for our people. It is a land and power grab. Who in their right mind would want to destroy our beautiful island with this tyranny? I would hope no one living here! It is so disturbing to think people must be getting paid off to go along with this agenda. People are tired of government overreach and being ignored. At least we were heard regarding HB 1118, one tiny victory against a barrage of bills aimed at taking our freedom.

Mahalo
