Aloha,

Please **do not** grant a permit to Teppy Mountain LLC (PL-SPP-2024-000075) for their multi-day festival on ag land in PaPaikou. As you are very aware, ag land in Hawaii is a limited and precious resource.. Now is a time to break the pattern of destroying the land in the name of the almighty buck. Please stop this continued takeover of Hawaiian land by outside corporations.

Deborah Luce
