Dear Ms. Yamasaki:

REVISED TENTATIVE APPROVAL — *NULL & VOID* JAN 29 2009
SUBDIVIDERS: CREAGAN, Richard P. and Marilyn S.
Proposed Consolidation/Resubdivision of Parcel 28 of TMK: 9-4-04
Being a portion of Grant 2759; and Parcel 8 of TMK: 9-4-04
Being portions of Lot 24 of the Kiolakaa-Keaa Homestead Lots;
And Grant 10910
Into Lots 1 through 5, Inclusive
At Nukakaia, Ka'u, Hawaii
TMK: 9-4-004:008 & 028 (SUB 99-026)

Please be informed that Revised Tentative Approval of the revised preliminary plat map dated October 2, 2000, is hereby granted with modifications and conditions.

The subdivider is now authorized to prepare detailed drawings of the subdivision plan in accordance with Chapter 23, Subdivision Control Code, County of Hawaii, as modified. Before final approval can be granted, the following conditions must be met:

1. Identify all watercourses and drainage ways and designate areas within as "approximate areas of flood inundation."
2. Provide common access easements encumbering the side-by-side poles of Lots 1 and 2. Identify easement by azimuths/distances on final plat map.

3. All access and sight distance to the state highway shall meet with the approval of the State Department of Transportation, Highways Division.
4. Comply with all conditions of approved Amended Water Variance No. 1013.
- ✓5. Submit written proof that all taxes and assessments on the property are paid to date.
- ✓6. Place property markers in accordance with the final plat map. Surveyor shall submit certification upon completion.
- ✓7. Submit **ten (10)** copies of the final plat map prepared in conformity with Chapter 23, Subdivisions, within one year from the date of Revised Tentative Approval, on or before January 14, 2003. If not, Revised Tentative Approval to the revised preliminary plat map shall be deemed null and void. Only upon written request from the subdivider and for a good cause can a time extension be granted, provided it is submitted forty-five (45) days before the expiration of said period of one year.
8. Subdivider shall complete all requirements specified as conditions for Revised Tentative Approval of the revised preliminary plat map within three (3) years of said Revised Tentative Approval, on or before January 14, 2005. An extension of not more than two (2) years may be granted by the director upon timely request of the subdivider.
- ✓As part of final plat map submittal, the Planning Director requests an additional copy of the final plat map be submitted as a ".dwg" or ".dxf" diskette file prepared by CAD software.

Please be aware that if at any time during the fulfillment of the foregoing conditions, should concerns emerge such as environmental problems or other problems which were earlier overlooked or not anticipated/accounted for in data/reports available to date, this could be sufficient cause to immediately cease and desist from further activities on the proposed subdivision, pending resolution of the problems. The Planning Director shall confer with the listed officers to resolve the problems and notify you accordingly.

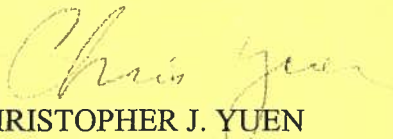

No final approval for recordation shall be granted until all the above conditions have been met.

Land shall not be offered for sale, lease or rent until final approval for recordation of the subdivision.
