THIS AGRICULTURAL PROJECT DISTRICT APPLICATION MUST BE ACCOMPANIED BY THE FOLLOWING:

1. A filing fee of one hundred dollars (\$100) per acre up to a maximum of five thousand dollars (\$5,000) to be paid via EPIC.
2. An original (signed) copy of the completed application.
3. A Background and County Environmental Report to include information as listed on the attached form. Include a description of the open space areas proposed for the agricultural project district, for cultural and/or environmental purposes, including open space areas preserved because of natural hazards.
Note: A County Environmental Report shall not be required for an application where an Environmental Impact Statement or Environmental Assessment has been completed and filed with the Office of Environmental Quality Control in compliance with HRS, Chapter 343, Environmental Impact Statements.
4. A location map and description of the property in sufficient detail to determine its precise location.
5. A scale-drawn master conceptual plan of the property, showing the project district boundaries and the land uses and acreage of land involved; all existing and proposed structures, uses and improvements; proposed subdivision; and reference points such as roadways, shoreline, etc.
6. A legal description of the proposed rezone area in map and written form by metes and bounds as certified by a surveyor shall be submitted with this application. This application shall not be considered complete unless the metes and bounds description in map and written form have been received.
7. A list of the names, addresses and tax map keys of all owners and lessees of record of surrounding properties who are required to receive notice under Section 25-2-4, Hawai'i County Code.
8. Any other plans or additional information relevant to this application may be requested by the Planning Director to facilitate processing of this request.
