

Public Input Forums - Questions, Concerns, and Feedback

Please provide any questions, concerns, or feedback you have about the ~~General Plan~~ ²⁰¹⁹ Comprehensive Review (continue on the back as needed).

Process used did not allow for broad ^{PLANNING DEPARTMENT} ~~scale~~ ^{COUNTY OF HAWAII} participation. Big ideas could not be shared.

Sewage collection, processing & recycling is one of the County's most critical issues. New technologies and area scale plants need to be planned

Climate change/sea level rise will have profound effect on island in next 50 years. Emergency will be hard hit if early planning for options not undertaken.
