Subject: Plan updates

I enjoyed the Workshop today, thanks for hosting it. I couldn't make the public input sessions, but the North Kohala CDP AC did submit a review. But I'd really like to see more of the plan update resources, particularly the alternative scenarios (CDP, IGA, etc.). Can you post these parts of the plan on your web site?. The PowerPoint today was also informative. Why not post all of these really nice images of the planning process? Thanks. John
