Subject: Hey what general plan

Why is there no general plan and who would let those malihini in charge of anything ? So once again the new appointees have removed community input and paying themselves that self serving greed . Who said Frank Commandor and [REDACTED] patty can buy a new boundary roads while making up fake data and proof is the video taping of the prep fairs 8 years after mapping was voted greedy white [REDACTED] (*expletive*) closing down affordable Housong and stealing Millions for themselves
